

INVITATION

The 6th Asia-Pacific Biomass Energy Technology & Equipment Exhibition

Date: August 16th-18th, 2017

Venue: China Import & Export Fair

APBE 2017

China's Big Plan for Biomass

According to China's 13th 5-year plan for biomass development, by 2020

Biomass power generation installed capacity should reach 1500 kW, annually generating 90 billion kW of electricity;

The annual consumption of biomass molding fuel should reach 30 million tons, biogas 10 billion cubic meters, and biomass to liquid fuels 6 million

The annual consumption of biomass energy should amount to 57 million tons of coals;

The biomass industry should annually bring in 120 billion RMB revenue, attracting new investment of 196 billion RMB.

Post-Show Report of APBE 2016

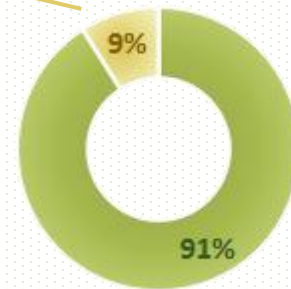

Basic information of APBE 2016

Visitors of 17,788 person-times

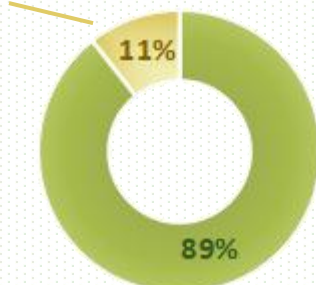

Overseas Visitors

Domestic Visitors

151 Exhibitors

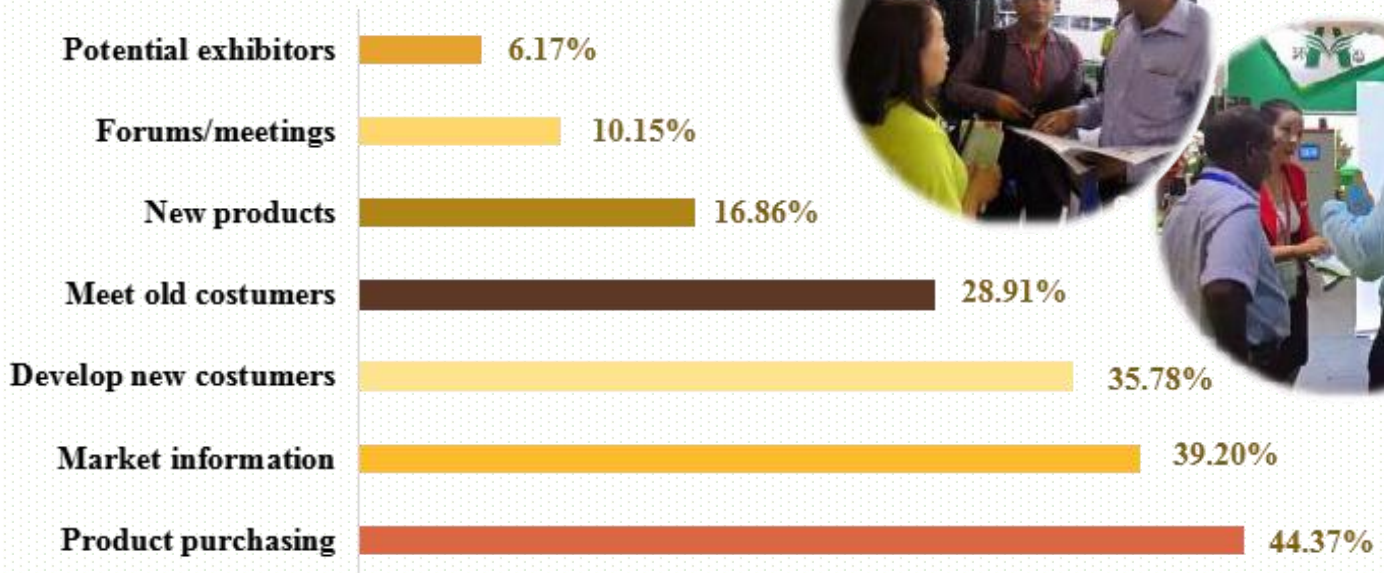

Overseas Exhibitors

Domestic Exhibitors

Purpose of Visiting

At least 70% of the enterprises present enjoyed a worldwide reputation

Partial Featured Exhibitors:

The 3rd Asia-Pacific Biomass Heating Summit

- Powered by Lvding Energy, the summit was live streamed on global online video platforms, hitting 3679 likes on the first day.
- Besides the audience of hundreds on site, the summit was also viewed by thousands of worldwide insiders from Taiwan, Malaysia, Thailand, Vietnam, Russia, etc.

- Partial speakers included
- Mr. Michael Sew, Secretary-General of Malaysia Biomass Industries Confederation (MBIC);
- General Manager of Polytechnik Deutschland GmbH (China);
- Professor Zhou Jianbin from Biomass Gasification and Liquefaction Engineering Research Center of Nanjing Forestry University;
- Doctor Liu Huacai, researcher of Guangzhou Institute of Energy Conservation, Chinese Academy of Science; etc.

Why APBE 2017?

APBE 2017 to Take a Leap in Its Scale

Edition	Exhibitors	Domestic visitors (person-times)	Oversea visitors (person-times)
2017 (Expectation)	180	18,000	2,000
Expected Growth Rate	16.11%	10.08%	19.85%

Quality services to win praise from both exhibitors and visitors

APBE offers its attendees a lot more than just a trade platform. Through cooperation with hundreds of domestic and oversea influential media, APBE helps advertise its exhibitors throughout the world.

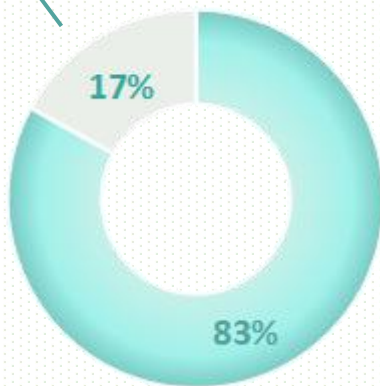

Partial media partners:

Every year hosting a series of concurrent activities, such as high-end technological conferences, forums, reception dinners, award ceremonies, etc, APBE is also an excellent occasion for worldwide insiders to exchange experience and opinions, socialize with their peers and catch up with the latest technology and market trends.

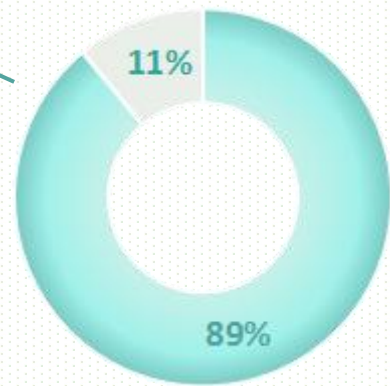

Old Exhibitors

Average re-attendance rate of exhibitors over the years

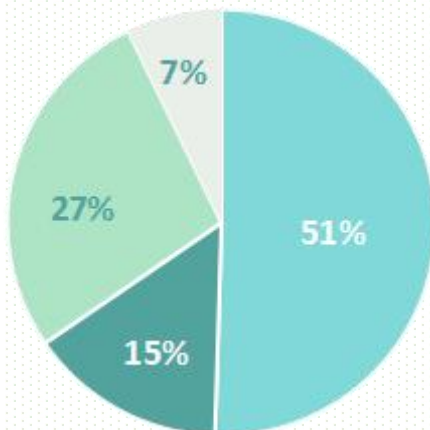

Satisfied Visitors

Average satisfaction rate of visitors over the years

World wide quality buyers streaming into APBE 2017

- Dealer/Distributor/Agent/Importer/Exporter
- Manufacture/Supplier
- Power plant/Contractor/user/investor
- Association/Media/Official/Research institute

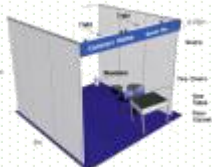

Exhibits Covering the Whole Industry Chain

- Biomass molding fuel and manufacturing equipment;
- Biomass boilers, combustors, stoves, boiler improvement and heating service companies;
- Biomass gasification technologies and equipment;
- Biogas technologies & engineering equipment;
- Comprehensive utilization of crop straw;
- Biomass & garbage power technologies and equipment, integrated garbage treatment, recycling of industrial waste gas and heat;
- Advanced biology liquid fuel and refining technologies;
- Related technologies and equipment of biomass combined heat and power generation;
- Detection, evaluation and certification institutions, marine biomass energy, etc

Small Investment, High Yield!

Compared with what you are going to harvest in the show, including visibility and publicity in the Asia-Pacific region, new costumers, business partners, opportunities to penetrate in to Chinese market, etc, you are getting yourself a very good deal by attending APBE 2017!

Standard Booth (3m×3m)		USD 2,400/9 sq. M.(area B) USD 2,600/9 sq. M.(area A) Add 10% fees for double-open booth
Luxury Booth		USD2,800 / 9 sq. m. Add 10% fees for double-open booth
Raw Space	Minimum rental space: 36 square meters	USD 260 /sq. M. No facilities provided. Additional management fee: RMB 50 /m ² . The booth should be built and decorated by exhibitors themselves.
